

Our Adoption Process

YOUR BEST FRIEND AWAITS!

COMPLETE ADOPTION FORM

MUST SUBMIT APPLICATION on our website:
homeboundhounds.org/book-online

INTERVIEW & VIRTUAL HOME CHECK

A call with an HH teammate to go through our adoption questionnaire and a virtual home check to confirm fencing and living situation is required.

RETURN ADOPTION AGREEMENT AND PAY FEE

Our adoption fee is based on age and breed and helps us provide necessary medical care. In order to take a pup home, you must agree to our adoption terms and pay the adoption fee.

MEET AND GREET

Whether you already have a dog or not, we require a meet and greet at your home or in a mutual spot. The goal is to confirm that the dogs and other family members (like kids) are able to get along. *cats will require slow intro

SEVEN-DAY TRIAL PERIOD

Once you've taken possession of the pup, you will have exactly seven days to "change your mind" if it isn't working out.

HOW LONG DOES THE ADOPTION PROCESS TAKE?

It really depends on your availability.

If you are able to work with us and get the virtual homecheck completed on the same day you fill out the online application, we'll try our best to speed up the process so that you can meet the pup and take him/her home!
